Promises of Joy pictures and bible verses to color met all my ...By Earline Mann Promises of Joy pictures and bible verses to color met all my expectations. The pictures are just intricate enough to be a good challenge. Coloring is so relaxing. I like that the pages are perforated on side so they can be removed to share with a note on the back for someone. I also like it can be used as a prayer and reflection journal. I color the words first so they are on my mind as I color the picture. 0 of 0 people found the following review helpful. More than just a coloring book By Rebecca J.
