Tim Price : Protest Song (Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Protest Song (Modern Plays):

Danny sleeps rough on the steps of St Paul's Cathedral. Has done for years. Then one morning he wakes to see a

canvas city being erected in front of him. And Danny finds himself swept up in the last occupation of London. *Protest Song* is a fictional play inspired by real events. Tim Price's funny and savage monologue explores the reality of the Occupy movement. *Protest Song* received its world premiere in the National Theatre's Shed Theatre on 16 December 2013. This edition features an introduction by the playwright, Tim Price.
