**George Speaight : Punch and Judy: A History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Punch and Judy: A History:

1 of 2 people found the following review helpful. This is a fascinating history book.By CustomerNot many pictures if you are looking for visual reference for Mr Punch but a compelling read. At the end of the book if a script for the show.

Braggart and bully, the immortal Punch has delighted audiences for centuries. On street corners and at country fairs, crowds of English children cheer for this paragon of unrepentant wickedness, shouting encouragement and applauding his gleeful buffoonery. Punch struts and boasts, cracking jokes and heads, while the casualties mount: Judy, his shrieking wife; the interfering policeman; the hoodwinked hangman; and the devil himself, beaten to death.
