Lemons This is a wonderful little book full of short puppet plays with Bible themes. There are plays about Abraham and Isaac, Joseph, Moses, Joshua and Jericho, Gideon, King Solomon, Daniel and Jonah. All are very simple to learn and produce and also lean well toward being done by teens dressed as puppets. I used one of the plays for a scholarship competition and we won first place! Highly recommended

Children love puppets! Puppets provide an easy way to help children learn and remember Bible stories. Doug Smee has done a fantastic job of writing the 14 bible story scripts included in this book. The scripts are fast and to the point but also a delight to watch. One feature of this book is a chapter entitled Jonah which tells the story of Jonah and the whale. The puppets in these scripts take on a personality to tell favorite stories from the Bible. At the beginning of each script is a small devotional for puppeteers to share with the audience before or after the show.
