Joan Sercl : Puppet Scripts for Sunday Morning before purchasing it in order to gage whether or not it would be worth my time, and all praised Puppet Scripts for Sunday Morning:

I agree with another reviewer who said that some of the material was inappropriate. I like my puppets to be mostly good examples for the children. I do shows for preschool and kindergarten. Most of the material would go over their heads. Also I have a large number of puppets. So this book wasn't very helpful to me. I did get a couple of good ideas.0 of 0 people found the following review helpful. messages, although some of the stories have some inappropriate ideas. Also I expected to have more puppets involve in the story, and only the puppets. 19 of 19 people found the following review helpful. *Puppet Scripts for Sunday Mornings* By Cyndi L. Jacobs A great resource for any Puppet Ministry! Joan M. Sercl gives tips on how to introduce your new puppet(s), voice suggestions, memorization tips, list of puppet resources, ideas for quick stage ideas, and an easy-to-use table of contents sorted by month (i.e. Dec. includes puppet skits on Christmas). Even if you've already gotten started, this book includes 52 scripturally-based skits that Joan M. Sercl has written with the ventriloquist in mind. So, you're not a ventriloquist, . . . I'm not either, AND the book is great. Joan suggests that you -- use your imagination! We've done exactly that by adapting some of the scripts for several puppets (to involve more teenage volunteers). The message in the Purple Glove skit (easily performed with dyed gloves) is worth the price of the book alone.

52 seasonally-based scripts, plus hints on developing the puppet's character, using your voice, creating stages, memorization, and more. Scripts include Bible and modern-day stories.

About the Author Joan M. Sercl has written puppet scripts, has directed a Puppet Ministry which traveled five states, and has become an accomplished ventriloquist. In 1992, she was one of the three finalists chosen to give the laity address at General Conference. She lives in Sioux Falls, South Dakota, and is the author of *Puppet Scripts for Sunday Morning* (Abingdon Press).
