Simon Morley, David Friend : Puppetry of the Penis: The Ancient Australian Art of Genital Origami before purchasing it in order to gage whether or not it would be worth my time, and all praised Puppetry of the Penis: The Ancient Australian Art of Genital Origami:

0 of 0 people found the following review helpful. HilariousBy ladyathenaThe things this book shows with a man's penis hurt to look at but it really is hilarious; my husband and I laughed until we cried while looking through the book.They do not shy away from the close up crotch shot so faint of heart need not apply.0 of 0 people found the

following review helpful. Entertaining For SureBy Rachel W.I really enjoyed the book. It's a great gift idea for that special guy in your life. I was a little underwhelmed with some of the more simple origami tricks. Some of them are creative, like the hamburger or the Loch Ness Monster. But others are just... what you would expect a guy to do with his junk. The book is entertaining for sure but the most shocking origami techniques are already on google images.0 of 0 people found the following review helpful. but the page quality is poor and the photos look secondBy Nickolas L. VannelloThe book is as explicit as you would expect, but the page quality is poor and the photos look second rate

For the adventurous showman with an eye for the outrageous, this riotous guide provides step-by-step instructions for creating penis puppets. Daring artists can attempt to build the "Hamburger," offer a ride on the "Skateboard," tell the time with the "Wristwatch," and show off all manner of animals, including the Loch Ness Monster. Equal parts absurd and scandalous, this is a hilarious guide to creating the worlds most unique art.

"I didn't know men's genitals could be so thrilling without a vat of wine and disco lighting." -- Graham Norton "Does my quote look big on this?" -- Kathy Lette" I didn't know men's genitals could be so thrilling without a vat of wine and disco lighting." -- Graham Norton " Does my quote look big on this?" -- Kathy LetteFrom the Inside FlapA few years ago, Simon Morley and David Friend began performing their repertoire of "dick tricks" in Melbourne, Australia. Hitting England's shores to overwhelming critical acclaim at the 2000 Edinburgh Festival, their show has also played in Montreal and Toronto, and is on its way to Broadway. Marvel at the Atomic Mushroom; be awed by Uluru; coo at the Baby bird; sample the Hamburger. This user's guide to the world of genital origami is a book that every man should study -- and every woman should learn from.From the Back Cover"I didn't know men's genitals could be so thrilling without a vat of wine and disco lighting."
