Beat book on John, Yoke, their life, and his return to music.By Barbara EborallFiercely honest 1st interview with John and Yoko just before his death. Part of it is who wrote what song, what was going on before they returned to the studio to record Double Fantasy, and John's years as a house husband taking care of Sean and Yoko's business expertise.1 of 1 people found the following review helpful. GREAT INTERVIEWBy NHDaltonI had read this book years ago and like so many other things, you lend it out and never get it back. sigh. I was happy to find this online and ordered it straight away. It was ordered at the same time as my stuff (through a reseller) and it beat my order by a good 3 days!

lolThis is a fantastic interview. I only wish an audio were available. Maybe someday.
