Paul Thurston : The Pocket Guide to 2/1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pocket Guide to 2/1:

Using the same format as The Pocket Guide to Bridge, this book will provide a handy pocket summary of the popular 2/1 bidding system. In a concise but readable manner, it goes over the basic ideas for Standard players who want to make the switch. The contents are based on Thurston's 25 Steps to Learning 2/1 which was the American Bridge Teachers Association Book of the Year in 2003.
