**Barbara Seagram, Marc Smith : The Pocket Guide to Bridge Conventions You Should Know** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pocket Guide to Bridge Conventions You Should Know:

28 of 29 people found the following review helpful. Better than the full bookBy Ann G. GrantIt may be a different experience for others who don't get the full book first, but we actually like the pocket guide better-- for example they put Transfers before Stayman whereas in the full book you learn a set of rules for Stayman that you have to adjust once you get to the Transfers chapter. Very clear, concise, great to review periodically to make sure you and partner agree on every detail of each convention. I don't think you need the full book if you have this pocket guide.0 of 0 people found the following review helpful. Great info, needs a construction makeoverBy Sven GollyThe layout, graphics and bridge info are excellent. What made me deduct 2 stars is the construction of the booklet. It's a horrible spiral binding with a the cover as a flapped overlay. It would have been much better as a simple plastic strip binding or SOMETHING. As supplied, it just feels loose and floppy.0 of 0 people found the following review helpful. Handy, but...By HappyPrimersThis is very handy, but is not well constructed. The folds are awkward and make it clumsy.Information within is great. A better quality cover would do wonders for this product.

A handy pocket size guide to 25 basic bidding conventions.

About the AuthorBarbara Seagram is one of North America's top bridge teachers, and is a popular speaker on cruise ships and at bridge events throughout the world.Marc Smith (UK) is probably best-known as the co-author of the bestselling "25 Bridge Conventions You Should Know." However, he has many other book to his credit, and contributed regularly to BRIDGE magazine in the UK.
