GM Henrik Danielsen : The Polar Bear System: Strong potent! before purchasing it in order to gage whether or not it would be worth my time, and all praised The Polar Bear System: Strong potent!:

1.f4 is the Bird opening. Henry Bird played it. He wanted to leave the mainstream and create new original positions.

He liked a setup with b3 and Bb2. The Polar Bear System (PBS) played with the same intention. To leave the trodden theory paths and enter new undiscovered terrain. The system starts with a fianchetto of the Kings Bishop after 1.f4,d5. PBS players want to enter exciting and original positions where it is rough for Black to play for a flat equality. The book is for club players, but also professionals can get inspiration. The book contains both volume 1 volume 2. GM Henrik Danielsen www.polarbearsystem.com
