Jeff Goode : The Portrait of the Virgin Mary Feeding the Dinosaurs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Portrait of the Virgin Mary Feeding the Dinosaurs:

Synopsis: Visual, intellectual and emotional roller-coaster which deals with sexual, religious and artistic exploitation. A tour of the Louvre leads to telling the story of Leonardo DaVinci's sexual assault on the Mona Lisa and how it led

him to paint an encounter between the Messiah's mom and the Elvis of dinosaurs. (Plus tap-dancing Jesus, cappucino-swilling tyrannosaurs ...and the the devil himself leads us into temptation.) Cast Size: 6 Males, 2 Females, 2 Other
