Tri 'SlowHabit' Nguyen : **The Pot-Limit Omaha Book: Transitioning from NL to PLO** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pot-Limit Omaha Book: Transitioning from NL to PLO:

6 of 9 people found the following review helpful. Dont waste your moneyBy IzatniceI have this book which i paid about 50 dollars for. Please do not waste your money. Jeff Hwang"s books on PLO are better written, better edited, and give PLO players better and deeper insight into making money. This book gives a topic and then lacks any expansion or detail on that topic, not to mention there are so many errors, you have to go back and re-read each section

multiple times to sort out the editing errors to try and figure out what the author is saying. If Tri's 300 dollar book is this poorly written there are some very disappointed poker players that would have been better off putting that 300 dollars into a bare Ace bluff at least you are a favorite to win the pot. This book is a negative ev situation. I have no affiliation to either author, other than reading their books.0 of 0 people found the following review helpful. A must to polish up you PLO game!By Super CharlesI transitioned to PLO full time last year, this book has been a great help. It makes concrete examples on how to shift your thinking from NL to PLO. The examples at the end of the chapters are great to help you apply your knowledge. Even though this book is a few years old, there is still enough in it to make it a solid purchase. There is no filler, just quality information. I definitely feel that this book has helped me understand the major differences to NL. With Full Tilt poker coming back up, it is now the time to exploit PLO!0 of 4 people found the following review helpful. Highly recommended!By LUK\_ZENThis is an excellent book for those who are seeking to succeed in PLO. It's concepts are moneymaking! I trully recommend this book for those who wish to improve the PLO game. Many fundamentals and easy to learn approaches to begin to understand this incredible and dynamic game.

From the man who literally CREATED the poker ebook market and its poster child, Let There Be Range (a two-thousand dollar poker manual for high-stakes poker professionals), The Pot-Limit Omaha Book provides a sound theoretical framework for no-limit holdem players looking to cut their teeth on PLO and don't want to be at disadvantage. **YOU WILL LEARN:** How to crush the short-handed PLO games Which set of starting hands to play How to play aces without busting your bankrolls How to 3-bet and 4-bet like a PLO expert How to bluff big and get rewarded for it How to AVOID common mistakes such as blinds play and failing to think ahead How equity equalization is the most important concept in PLO And that's just the tip of the iceberg. There are more than 50 advanced pot-limit omaha tactics covered, all proven to work under the Las Vegas bright lights, the New York underground games, the internet, the college dorms, the kitchen home games, and anywhere you can think of! You don't need advanced math or a high IQ to crush poker. You need the right strategies and that's exactly what The Pot-Limit Omaha Book delivers. Order today. Our winning circle awaits you!

About the AuthorHighly successful online poker professional Tri 'SlowHabit' Nguyen turned his loves of poker and education into a notable coaching career, drawing praise for his ability to explain complex poker concepts in simple, easy to understand terms. These skills transitioned well into writing and he soon found himself teamed up with fellow online star Cole South -- a collaboration that resulted in the high-level no limit Hold'em breakthrough, Let There be Range. Nguyen is also the author of The No Limit Holdem Workbook: Exploiting Regulars. Additionally, Nguyen has written extensively on Omaha and his The Pot-Limit Omaha Book: Transitioning from NLHE to PLO is frequently prescribed to Hold'em players looking to crush small- and mid-stakes PLO. The sequel, Advanced PLO Play, is for PLO specialists looking to increase their edge against other PLO regulars. He also wrote How I Made My First Million from Poker, a book on how to be a successful professional poker player.
