**York P. Herpers : The Rescue Paramedics - The Life-Saving Board Game** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rescue Paramedics - The Life-Saving Board Game:

The Rescue Paramedics is a fast-paced game on time. Each player gets a hospital car and has to finish three emergency services. In doing so, he must select the shortest route and pay attention to traffic lights. Through the use of numerous event cards, the amusing connection between patients, rescue services and hospitals is brought to the attention of the players and the importance of rescue forces and medical care is explained. Includes a game board in A2 size, game pieces and dice cards for cutting out. The use of commercially available dice and game pieces is possible. 24 pages in color.
