**The Royal Ballet : The Royal Ballet 2015-16** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Royal Ballet 2015-16:

Featuring lavish photographs of last season's performances, a special preview of the new season and lively and informative articles, The Royal Ballet 201516 is a richly illustrated companion to The Royal Ballet, its history, repertory, dancers, and staff.

Praise for previous editions: 'A multi-faceted account of what this great company stands for, where it's coming from and where it's going' The Stage; 'A handsome volume... second to none in terms of beautiful presentation' Dance Europe; 'Oberon Books have produced yet another wonderful edition of the Royal Ballet Yearbook... generously and imaginatively laid out... The clarity of presentation and layout, interesting articles and strong images make this publication great value... indispensable.' Dance Europe
