Shirley Goulden : The Royal Book of Ballet before purchasing it in order to gage whether or not it would be worth my time, and all praised The Royal Book of Ballet:

0 of 0 people found the following review helpful. Gorgeous illustrationsBy Tall GalFast shipping. Gorgeous illustrations. Just like I remembered from my own childhood.6 of 7 people found the following review helpful. A Magical and Captivating Experience for People of All AgesBy Deborah EarleI first read this book in Junior High School and recently checked out a copy for a young cousin of mine who has studied ballet. As an artist, I was able to share my memories of having recreated the scene from "Giselle" featured on the back cover for a class project. This book, after all, introduced me to that ballet.I could share video taped scenes of "Coppelia" as I showed her the illustrations in the book, and she seemed impressed. I hadn't really paid much attention to either "Petrushka" or the plot of "Swan Lake" until now, but in the nearly 20 years since I first read it, I've been struck by the sadness of those stories, and I've never forgotten how beautiful this book is.1 of 1 people found the following review helpful. Beautiful illustration!By A. JohnsonI bought this book for the gorgeous illustrations and haven't read any of the text! But the artwork is absolutely lovely.

this is a vintage ballet book, has stories like swan lake and other favous ballets.Full color illustrations and original dust

jacket.
