Dominic Malcolm : The SAGE Dictionary of Sports Studies before purchasing it in order to gauge whether or not it would be worth my time, and all praised The SAGE Dictionary of Sports Studies:

Sports studies is one of the fastest growing fields in higher education today. The SAGE Dictionary of Sports Studies brings a timely, much-needed, and comprehensive tool for all students in this multi-disciplinary field. Each entry provides a basic definition, a guide to research themes, and a clear account of the relevance of the concept in understanding sport. Not only indispensable for quick clarification of terms, it will give students a springboard for

more in-depth research and critical analysis. Covering sociology, history, psychology, politics, business, physical education, health and research methods, The SAGE Dictionary of Sports Studies provides the first one-stop reference guide for all students who study the social aspects of sport.

About the Author Dominic Malcolm is Senior Lecturer in the Sociology of Sport in the School of Sport and Exercise Sciences. Following a Politics degree at Nottingham University, Dominic studied for a Masters in the Sociology of Sport at the University of Leicester. On completion of the Masters he was appointed Research Associate in the Centre for Research into Sport and Society, where he subsequently became Lecturer and Director of Masters Programmes. He completed his PhD at Leicester in December 2004.
