**Tom Wiswell : The science of checkers and draughts** before purchasing it in order to gage whether or not it would be worth my time, and all praised The science of checkers and draughts:

3 of 4 people found the following review helpful. Great end-game book with 101 problems.By Eddie StephensAnother good book from a famous auther and checker player. If you like checkers problems then this book is for you. You will win a lots of games if you know the second problem. How to change guard. For Example: Black 1 King 3 White 31 King 11; Terms: white to play and win. The first move is 31-26. Your single man will replace your king holding the black king. Highly recommend getting this book.0 of 0 people found the following review helpful. good memory.By Rileyfor my family , fast shipping. These shears are very durable and made of high quality material. Nice and valuable. It cuts slices as thick or as thin as I want with no crumbs-a nice clean cut. I am completely satisfied with it and am happy to have a slot in my product block that it just fits in.0 of 0 people found the following review helpful. professional service.By SydeneyIt cuts slices as thick or as thin as I want with no crumbs-a nice clean cut.
