John Nevil Maskelyne : The Secrets of Cheating - Games of Chance and Skill: Sharps and Flats before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secrets of Cheating - Games of Chance and Skill: Sharps and Flats:

One of the best books written about the secrets of cheating at games of chance and skill - Common sharpers and their tricks, marked cards, reflectors, holdouts, manipulation, collusion and conspiracy, the game of Faro, prepared cards, prepared dice, high ball poker, roulette. This is a professional reproduction of the book published in 1894
