**From Thunder Bay Press : The Serenity Coloring Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Serenity Coloring Book:

0 of 0 people found the following review helpful. I love it going to order more in the series  
By zenobia decrespin Big book lots of lovely simple things to color. I love it going to order more in the series  
0 of 0 people found the following review helpful. A Happy Medium  
By Judy A. Snyder These designs are not too simple...not too detailed. The perfect medium.  
I have ordered three so far. Nice and thick book...lots of pages. Don't hesitate to buy.  
1 of 1 people found the following review helpful. So pretty!  
By ANlecompte Just bought it today, and have spent several hours coloring the beautiful pages.

Open a new chapter of tranquility! Themes of peace, balance, and serenity fill more than 200 pages of inspirational line art that are waiting for your creative touch. A therapeutic, meditative activity, coloring can help you stay centered. When you are peaceful, your calmness touches those around you as well. Reach a state of Zen with your colored

pencils and The Serenity Coloring Book.
