A great book for Shirley Temple collectors! By edna This is an excellent book full of great color photos and descriptions of Shirley

Temple collectibles. A must have for any Shirley collector!!

Shirley Temple was the "number one box office star" in the world throughout the 1930s. The overwhelming success of her motion pictures made her a national obsession. What followed was a marketing campaign that made Hollywood history. Department stores were filled with an endless variety of items bearing her name or image, from clothing to postcards to "genuine" dolls. Over 600 color photographs introduce all areas of the Shirley Temple merchandising phenomenon and collectibles. Valuable reference material includes posters, a motion picture and television chronology, a comprehensive VHS and DVD catalog, and current price guides in the captions. This book makes collecting "the world's most famous child star" items a competitive pleasure.
