This one is a little different in that it includes a lot of Amano's pencil work, which was nice to study. I would recommend this to anyone interested in FF or in Art in general. There is some really good reference art in this book.1 of 1 people found the following review helpful. "Previously available only as a part of the now sold-out The Sky: The Art of Final Fantasy Boxed Set or still-available The Sky: The Art of Final Fantasy Slipcased Edition, Dark Horse is pleased to offer the stunning visions of designer Yoshitaka Amano as individual volumes. The Sky Book Three contains Amano's sketches and paintings for Final Fantasy VII (1997), VIII (1999), IX (2000), and X (2001), depicting characters such as Zidane Tribal, Garnet Til Alexandros XVII, Adelbert Steiner, Vivi Orunitia, Amaranth Coral, Queen Brahne, and many others. Bonuses include a

series of silkscreen images done for Final Fantasy VIII, unreleased pen-and-ink sketches of the Gunblade, and designs for the gemlike logo of Final Fantasy IX. Book Three completes The Sky series at a special low price! Don't miss your chance to return to the strange and beautiful realms of Yoshitaka Amano with The Sky: The Art of Final Fantasy Book 3!"

About the Author Yoshitaka Amano is a Japanese artist, character designer, illustrator and a theatre and film scenic designer and costume designer. He first came into prominence in the late 1960s working on the anime adaptation of Speed Racer. Amano later became the creator of iconic and influential characters such as Gatchaman, Tekkaman: The Space Knight, Hutch the Honeybee, and Casshan. In 1982 he went independent and became a freelance artist, finding success as an illustrator for numerous authors, and worked on many best selling novels such as The Guin Saga and Vampire Hunter D. He is also known for his commissioned illustrations for the popular video-game franchise Final Fantasy. Since the 1990s Amano has been creating and exhibiting paintings featuring his iconic retro pop icons in galleries around the world, primarily painting on aluminium box panels with acrylic and automotive paint. He is a 5 time winner of the Seiun Award, and also won the 1999 Bram Stoker Award for his collaboration with Neil Gaiman, Sandman: The Dream Hunters. Amano's influences include early Western comic books, art nouveau, and Japanese woodblock prints. In early 2010, he established Studio Devaloka, a film production company. The author lives in Tokyo, Japan New York, N.Y..
