This is one of the best Chess Books everBy CustomerThis is one of the best Chess Books ever! Bronstein has always been one of my favorite players,and his creativity is on full display. Playing through these games will no doubt give you enjoyment and possibly enable you to improve in your own games.0 of 0 people found the following review helpful. Great BookBy Joshua RofranoGreat book, worth a read.

The legendary David Bronstein, artist and sorcerer of the chess board, uses examples from his own brilliant games to

develop club player's skills. An unconventional book with interesting stories and easy-to-understand teaching material. This is a revised and expanded edition of a modern chess classic, written by an icon of chess in the 20st century.
