Delightful!By Libby DoddThis is a delightfully presented book. It is brilliantly illustrated with Golembe's signature guache paintings. She studied with a hula group in the DC area for over a year, so the information, while easy to read, is dead on in accuracy. A one page over-view of the history of hula and another one page of glossary round out this great book. AND you get a C/D with it.0 of 0 people found the following review helpful. Fun. Fun paintingsBy Roberta B. WojcikFun. Fun paintings. Easy for everyone.

With vivid, whimsical illustrations and lyrical writing, Carla Golembe shares the history, meaning, and spirit of hula. The words and pictures pair together in much the same way that the chants and movements of hula complement each

other, and the accompanying read-along CD further immerses readers and listeners in the joy of the dance.

About the Author Carla Golembe is a painter, illustrator, author and teacher. Although she grew up in Massachusetts she always felt like a tropical soul. She went to graduate school in Mexico and fell in love with the culture, climate and natural beauty. When not painting, illustrating, writing or teaching, Carla's favorite things to do are travel to warm places with quiet beaches, snorkel and dance.
