**Salacious Tomeson Mariner : The Sun Makes Diamonds Out Of Water: First Poems from the Island of Broken Toys** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sun Makes

Diamonds Out Of Water: First Poems from the Island of Broken Toys:

A living collection of readable and accessible poems about how we deal with memory. And how we neglect the past at our peril.

About the AuthorThe author is from Texas. What else do you need to know?
