The Sun presents this corker of a collection of its unique two speed crossword Britains bestselling crossword. The two-speed crosswords appear daily in The Sun and what is unique about them is that each crossword has a set of cryptic clues and coffee-time clues (definition-only clues) so you can choose if you want to take your time to solve the crossword or if you want a speedy conclusion. The clever twist is that both sets of clues lead to the same answer. They do not rely on topical knowledge and can be enjoyed any time, any place. This collection of 160 crosswords will appeal to anyone wanting a fun and informative break from daily life.
