collection! This particular book from the seller i got it from came with her autograph from a book signing event she did. I cant tell you how amazing that is!8 of 8 people found the following review helpful. DisappointingBy Oriole04I was really looking forward to Kat's second book because I enjoyed the first one so much. Unfortunately this book is less about the tattoos and more about the ups and downs of her relationship with Nikki Sixx. This book reveals her insecurities and vulnerabilities in a way that should be endearing but is instead just annoying. The photos of the tattoos are beautiful and showcase Kat's immense artistic talent.0 of 0 people found the following review helpful. Five StarsBy Traci BGood read!

Charismatic star of LA Ink Kat Von D gives fans an unscripted and uncensored look at a crucial year in her personal and professional life in *The Tattoo Chronicles*, the visually arresting and no-holds-barred follow-up to her first book, the New York Times bestseller, *High Voltage Tattoo*. A rich anthology of intimate entries from her diary, plus a wealth of personal memorabilia, sketches, and photography shot by Kat especially for the new book, *The Tattoo Chronicles* reveals the passions, frustrations, and creative process of the real Kat Von D, one of the worlds most renowned tattooers.

From the Back Cover*The Tattoo Chronicles* is an illustrated diary that offers an intimate look at a crucial year in the personal and professional life of Kat Von D, the charismatic, no-holds-barred tattooer and star of LA Ink. When Kat does a tattoo, she writes an entry about it in her journal, reflecting not only on the significance of the tattoo for the person who is receiving it but also on how the experience of creating this tattoo affects her personally. In these diary entries some poignant, some hilarious, some confessional Kat lays it on the line about how doing these tattoos influences her life and art. Here are the highs and the lows, the good, the bad, and the ugly including her feelings about her fame, family, love life, friends, and fans. Visually stunning, this graphically compelling diary is jam-packed with tons of Kat's images, from sketches of her tattoos to the finished works, and candid shots of her unusual personal collections all photographed by Kat herself. Fans will love reading about her array of clients from all walks of life, including Motrhead's Lemmy Kilmister, Dave Navarro, and members of Metallica, Green Day, Kings of Leon, and the Eagles. Throughout *The Tattoo Chronicles* are captivating, color photographs of Kat that were taken specifically for the book, published here for the first time. Here she is: the real Kat Von D: unscripted and uncensored! About the Author Kat Von D is a renowned tattoo artist and the star of the former hit television series LA Ink, which ran for five successful years. She is the author of two New York Times bestsellers, *High Voltage Tattoo* and *The Tattoo Chronicles*, and is the creator of an exclusive makeup and fragrance line for Sephora. She is also the founder of Wonderland Gallery, an art gallery and boutique located next to her tattoo shop, High Voltage Tattoo, in Hollywood, where she lives.
