**Carlos Castaneda : The Teachings of Don Juan: A Yaqui Way of Knowledge** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Teachings of Don Juan: A Yaqui Way of Knowledge:

0 of 0 people found the following review helpful. Five StarsBy DAVIDReally great talk if you like Carlos Castaneda and then shamanique stories I just love it0 of 0 people found the following review helpful. Good BookBy flower4florOne of my favorite books. The quality is good for the price.0 of 0 people found the following review

helpful. I recommend it. By Lee West A classic of the 60s. I am enjoying to repeat reading. I recommend it.

In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda. The Teachings of Don Juan enthralled a generation of seekers dissatisfied with the limitations of the Western worldview. Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

From Library Journal Original publisher University of California Press here offers a 30th-anniversary edition of Castaneda's Teachings. Along with the original text, this sports a new introduction by the author, who, it was revealed recently, died earlier this year. Though this is reasonably priced for a hardcover, libraries needing multiples copies may opt for the paperback. Copyright 1998 Reed Business Information, Inc. Taken together [Castaneda's books] form a work among the best that the science of anthropology has produced.
