Tim Moorey : The Times How to Crack Cryptic Crosswords before purchasing it in order to gage whether or not it would be worth my time, and all praised The Times How to Crack Cryptic Crosswords:

4 of 4 people found the following review helpful. Very, Very HelpfulBy CJI am still working my way through this book--finally up to the full practice puzzles, and I must say it really has helped me learn the nuances of cryptic crosswords. I do highly recommend following through the book as if taking a class. I would like to see better organization of hints and keywords--these can be difficult to refer back to (there are a few tables listing these things in

the book, but they do not include some of the keywords given in the exercises). Also, I still am stumped at times even after reading explanations, but chalk some of it up to American vs British usage. 3 of 3 people found the following review helpful. Info I never knew about cross word puzzles! By Cec Explains why I would give up in frustration on advanced puzzles. Presentation and examples are good. Makes me want to seek out these more challenging puzzles. 0 of 0 people found the following review helpful. Five Stars By Chef-telli Lots of fun
