From Collins : The Times Jumbo Cryptic Crossword Book 12 by Richard Browne (May 17 2013) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Times Jumbo Cryptic Crossword Book 12 by Richard Browne (May 17 2013):

1 of 1 people found the following review helpful. Beware: not suitable for non-British audience. By Kay If you do not possess an in-depth knowledge of British idioms, British military abbreviations, or arbitrary girls' names, you will find these puzzles impenetrable and ultimately frustrating. They have an air about them of being written by eighty year-old geezers eighty years ago; grids where 'masters' are 'teachers' and 'dishes' are 'lovelies' (think females), where tipstaves and faineants are encountered at every corner. You will not be able to seek solace in the answers either - because no explanations are offered. By way of example, here is a typically impenetrable clue and its answer; Tories on their knees, it was said? That's been established for a long time (6,2,7) Answer: Church of England If you can parse this clue your enlightenment would be appreciated. 2 of 2 people found the following review helpful. this book is nothing like the many puzzles that I have seen before By Weekly Reader I have been a huge fan of cryptic crosswords ever since I encountered them in Games Magazine many years ago. Each clue generates a lot of thinking and attempts to create words. But when I get the answer it is extremely satisfying and I usually "know" I have it right. However, this book is nothing like the many puzzles that I have seen before. Even when I look up the answer I don't get it. I never see the double clue that has been the case in previous crosswords. This is something else that I do not get. 0 of 0 people found the following review helpful. Where did the spiral binding go? By Saltimbocca I've been buying these NYT crossword

books for a while, and they always used to have a spiral binding. Now they're conventionally bound, which makes them MUCH more difficult to enjoy.
