I have absolutely no clue (no pun intended) how they arrived at some of the clues. They don't seem to have any relationship to the answers. On the positive side, I am learning a lot about English history, towns, rivers and prime ministers. And some truly arcane words. I think the Telegraph cryptics are somewhat easier.0 of 0 people found the following review helpful. who usually finds NY Times Sunday puzzles too easy. Getting many hours of entertainmentBy CustomerVery challenging for me, who usually finds NY Times Sunday puzzles too easy. Getting many hours of entertainment. Find that a fair number of clues are impenetrable even after looking up the answers.0 of 0 people found the following review helpful. Five StarsBy virginia garfallCLIENT
