The Times Mind Games : The Times Killer Su Doku Book 8 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Times Killer Su Doku Book 8:

2 of 2 people found the following review helpful. DisappointedBy Jeanie KilgourI have #1 and#3 of this series and have been very pleased with them - especially #3 since it uses a paper that is easy to erase. This book, #8, has a paper that does not erase easily. Also, it has different editors who were not into the "45 factor". It is o.k., but disappointing.1 of 1 people found the following review helpful. Killer anticipationBy MoosieFound out about Killer Sudoku when in

England and only bought book 7 thinking I could buy further copies in NZ, think again, thank goodness for ! Totally addictive!0 of 0 people found the following review helpful. AddictBy Old SailorI'm just a killer Su Doku addict. I keep one in my pocket almost all the time.... just in case I get stuck in queue somewhere!

The newest volume in the hugely popular Killer Su Doku series from the puzzles suppliers to the Times, featuring the highest-quality puzzles with an extra element of arithmetic. This eighth addition to the successful Times Killer Su Doku series will test your skills to the limit, adding the challenge of arithmetic and taking Su Doku to a new and even deadlier level of difficulty. The puzzles use the same 9x9 grid as Su Doku but with an added mathematical challenge. The aim is not only to complete every row, column and cube so that it contains the digits 1-9, it is also necessary to ensure that the outlined cubes add up to the same number as well. With 150 new Moderate, Tough and Deadly Killer Su Doku puzzles, there is no chance to ease yourself in with Easy puzzles. For those who like to live dangerously and push beyond their mental comfort zone, steel yourself for The Times' next, terribly tough instalment.

About the Author Times Mind Games brings together the very best puzzles from the pages of The Times: Cryptic and General Knowledge Crosswords, Jumbo Crosswords, Codewords, all levels of Su Doku and mixed number puzzles and word-based games and quizzes.
