It took me 10 minutes tops to read. Some of the mini stories were unique and kind of clever, but most of them were so dull that I've already forgotten them. Not worth your money. 0 of 0 people found the following review helpful. Love By Bobbie Hulsey Love this!

Highly recommended! 0 of 0 people found the following review helpful. Charming gem of a book! By Scooby I came across this book on a few weeks ago. For whatever reason, I kept hesitating to buy it but finally caved a few days ago when I was purchasing some other books and decided to add this one to my shopping cart. I'm so glad I did! This book is charming and adorable and just fantastic! I don't think I've ever smiled so much while reading a book. It's a short but great read - 86 pages and small enough to read in just one short sitting. I can't wait to read Volume 2. Hopefully, they will be coming out with more volumes in the future.
