If you haven't checked it out you should, the work from the various people/artists submitting to it is amazing, fantastical, and you won't be able to stop looking at the different projects. These were purchased as Christmas gifts, I hope to buy more this year.0 of 0 people found the following review helpful. Tiny package of joyBy VCrooksOI am a huge fan of the Tiny Books of Tiny Stories. They are a tiny compilation of genius from all parts of the world. I always give these books to myself and to others as early Christmas gifts. It is literally a tiny gesture that can never go amiss. I recommend it to anyone who appreciates short stories, illustration, and bursts of

imagination. And if you like this book, you'd probably like to give a chance to all other works done by the community at HitRecord.org. You won't be disappointed. 2 of 2 people found the following review helpful. Sweet book

The collaborative concept behind hitrecord is brilliant on its own, and the fact that you can have a physical example of the connected work is great! The cover is really sweet and has a nice touch to it, as well as the tiny size. Lovely!
