**Brandon Ogborn : The TomKat Project** before purchasing it in order to gage whether or not it would be worth my time, and all praised The TomKat Project:

This is funny, quirky, and just the right amount of Celebrity trashy. LOVED IT!0 of 0 people found the following review helpful. Five StarsBy Rebekah R. OgbornFantastic! Utterly entertaining and intriguing.

Hailed "genius" by Chicago Tribune, The Tomkat Project is a critically-acclaimed satire that transcends the tabloids to discover the truth behind the marriage of Tom Cruise, Katie Holmes and The Church of Scientology. Based on actual interviews, (and completely imagined scenes), seven actors portray over 50 characters including Oprah Winfrey, David Miscavige, Scarlet Johansson, Steven Spielberg, Nicole Kidman and Suri in this thoroughly entertaining comedic juggernaut.
