Michael J. Hockinson : The Ultimate Beatles Quiz Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Beatles Quiz Book:

0 of 0 people found the following review helpful. Not bad. A little disappointedBy ReaganNot bad. A little disappointed. Wished there were more questions.I got it used for a good price though. So why not.0 of 0 people found the following review helpful. Beatles triviaBy Christine FitzpatrickGreat book, fast shipping It was a Christmas present for my daughter and she loved it. A great book for Beatles fans.4 of 4 people found the following review

helpful. Far More Than A Quiz Book!!!By Dan SwanThis book has so much more information about "The Beatles" than any others I've read... including The "NEW" Anthology!!! The author is obviously an "EXPERT" in all that is "Beatles". I pride myself as quite the Beatles aficionado, but this book is so far beyond anything I can relate to, it's not even funny. The amount of work that went into the creation of this book is simply mind boggling. Every Beatles fan on the planet should own this book. If you "think" you "know" The Beatles; this book will challenge you beyond your wildest dreams. By far the "Best" resource ever written on "The Fab Four". Thank You Mr. Hockinson; for a job well done. The "Ultimate" to say the least.

When Beatles fans get together, these are kind of questions they hurl at each other: crazy, clever, and arcane; gleaned from decades' worth of listening and reading between the lines. The Ultimate Beatles Quiz Book is the most elaborate and entertaining collection of these questions, trivial and otherwise, that has ever been compiled by a rabid Beatlemaniac. Carefully selected and arranged to appeal to eager beginners, car-radio-sing-alongers, and even the most jaded diehards (and we mean it!), it's also an unstoppably readable, one-of-a-kind mine of facts, photos, and Fab Four lore. Born in Vancouver, Washington, in 1960, Michael J. Hockinson has been afflicted with second-generation Beatlemania since October 1972, when "Yellow Submarine" had its network TV premiere (on CBS, for all you trivia buffs who read author bios for priceless tidbits). A free-lance writer and correspondent for Beatlefan magazine, he still lives in Vancouver with his wife.

"Imagine an entire season of 'Jeopardy' devoted to the Beatles and you've got [this book]." --Variety"Page after page of fun and frustration...digs into the deepest depth of Beatledom to come up with hundreds of Q's and A's that are sure to stump even the most diehard Beatles trivia nuts...One of the most enjoyable Beatles-related books to find its way into print in some time." --Goldmine"[A] Beatles buff's delight." --Dallas Morning News
