looked at. What made it stand out amongst the stack:1) Very clear and easy to follow written instructions for the games2) Color diagrams (black and red) of set up templates and various aspects of card plays etc.3) Great index of games by number of players, type of game, name and alternate name4) Very complete sections on solitaire games and children's gamesFrom the classics that you maybe never quite got the hang of to obscure games you might never have heard of a very complete and easy to use reerence for card games.0 of 0 people found the following review helpful. Thank YouBy Kaylielt came perfectly on time and I hope my brother will enjoy it very much for Christmas thank you so much0 of 0 people found the following review helpful. Five StarsBy Peter BurnardFantastic and just great to get it so promptly.

So big, it's filled with over 200 card games, yet so handy that it can be taken anywhere, The Ultimate Book of Card Games is the superior source for family entertainment. It features family, gambling, solitaire and children's games.
