**Anne Kramer : The Ultimate Book of Darts: A Complete Guide to Games, Gear, Terms, and Rules** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Book of Darts: A Complete Guide to Games, Gear, Terms, and Rules:

2 of 2 people found the following review helpful. Save your money unless you want a history lesson.By CustomerHave to agree with a previous post, this is a history book and not a book to help improve anyone's game. The

description 'share in the euphoria that comes of the kill shot by learning the skills and techniques required to play a great game of darts.' is pathetically wrong. I would love to get a negative number for this piece of misleading advertising. 3 of 5 people found the following review helpful. Useless By Donald Fitzsimmons If you are looking for a book to help on improving your game keep looking. This book is absolutely useless unless you want to know all about the history of darts and you can get that for free online. Save your money. 0 of 3 people found the following review helpful. Five Stars By James H. Johnson Fun book for dart players.

Share in the euphoria that comes of the kill shot by learning the skills and techniques required to play a great game of darts. From the history of the sport to choosing the right type of equipment, *The Ultimate Book of Darts* is written in an accessible style that is perfect for both novices and seasoned professionals. Dart throwing is now a global phenomenon with new players emerging every day. This amazing sport demands remarkable precision and an agile mind from its competitors. Learn the rules for playing team games and tips for improving your score and ability for more advanced competitions. Author Anne Kramer focuses on the mechanics of dart throwing by discussing the pros and cons of various stances, such as toes square to the line versus one foot behind the other. This guide emphasizes good form over accuracy. If you develop good form, the accuracy will follow. Aside from mechanics this book also discusses the necessary equipment from types of darts to board materials, dimensions, and mounting. Whether you're an expert marksman who competes in a pub league or a guy who just enjoys throwing sharp objects, this is the go-to guide to a longstanding and fun tradition.

About the Author Anne Kramer has been involved in darts for over twenty years and was one of the top female players in Arizona by the age of sixteen. She is married to former No. 1 mens player John Kramer and continues to participate in national dart tournaments. When Kramer isn't working at her day job at a major insurance company, she is playing darts, writing about darts, or promoting darts on her website.
