It's been with me so long, I can't toss it even though I'm finally finished. Since I loved it so much, I'm now on this Omnibus. Just as fun and challenging as the first! I've done MANY crossword books, and these are the best.1 of 1 people found the following review helpful. Not happy!!!!!!By CocoHalf of the puzzles were done! I call that a little more than lightly used. Would not order again from this sight.

192 puzzles are collected in this giant volume, edited by frequent New York Times Sunday Magazine contributor, Mel Rosen. An ideal gift for the die-hard puzzle enthusiast or addition to the home puzzler's bookshelf!
