I enjoyed looking through it for some of the items I had as a child and wish I still had them. Especially the cap pistols. Great fun book to look at and reminisce. If one is collecting or starting to collect Roy Rogers and Dale Evans items, this is a must-have-book to compare. Prices listed are a bit high, but one can still get them at a lower price.0 of 0 people found the following review helpful. RR book of items for sale!By richard hansonGreat Book and so helpful in my purchasing \$ for the Collection of RR items etc.!0 of 0 people found the following review helpful.
