"Our Minecraft expert immediately learned something new!", "The writing is solid and gives you a good understanding of each topic", "My husband and I love that it encourages his imagination but also propels him to want to read and learn from books rather than just watching YouTube" This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. From abandoned mineshafts to mini-games, mods, and zombie sieges, The Ultimate Unofficial Encyclopedia for Minecrafters reveals expert tricks of the trade for gamers. Want to know where you'll find the most diamonds or how to protect your villagers at night? This AZ reference is a quick guide to all the tips you want to know, including: How to spawn and kill the Wither boss How to rescue a baby zombie villager How to make a portal without a diamond pickaxe How to make a secret passageway using paintings This exciting book will cover everything players need to know about mining, farming, building, villagers, the Nether, and more! A big book of players hacks for Minecrafters organized in an easy-to-reference AZ encyclopedia format, this book will show readers the ins and outs of the game, how to survive and thrive, and various mods that can improve play. The book will be illustrated with screenshots throughout, making it easy for new and experienced Minecrafters to build, fight, protect, and survive in their creative worlds.
