**Earl Shores, Roddy Garcia : The Unforgettable Buzz: The History of Electric Football and Tudor Games** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Unforgettable Buzz: The History of Electric Football and Tudor Games:

The Unforgettable Buzz is the NFL's "toy story." It's also receiving the best Christmas present ever. "The Unforgettable Buzz is a thoroughly researched and cleverly written study of electric football. Every Baby Boomer who played the game - and that's all of us - will love this book." - Ray Didinger, Pro Football Hall of Fame Sportswriter and NFL Films Emmy Award Winning Writer and Producer "This is such a great book. It immediately took me back to those special moments of my childhood. Shores and Garcia have done their homework in opening a sacred portal to the past." - Rick Burton, David B. Falk Professor of Sport Management, Syracuse University The Unforgettable Buzz is the first book ever written on the topic of Electric Football. Yet it's about much more than just a game. It's about receiving the best Christmas gift ever - that's what Electric Football means to millions of Baby Boomers who grew up between 1950 and 1980. Authors Earl Shores and Roddy Garcia have spent over a decade carefully weaving the timelines of Electric Football, Baby Boomer culture, and the NFL into perhaps the most complete "toy story" ever written. With over 300 images and a stunning cover-to-cover design by Marvel Graphic Artist Michael Kronenberg, Christmas morning is always just a page-turn away in The Unforgettable Buzz.
