Huckestein It was a gift for a good friend and she loved the book 0 of 0 people found the following review helpful. For Max Lovers Everywhere! By Liam We have admired Peter Max's work for years. I ordered a "used-very good" copy of the book. It arrived on time. I would say it was actually "used-like new" once I removed the seller's stickers from the dust jacket and cleaned off the gummy residue. I found a bonus inside: my copy was inscribed and signed by the great man himself! The book is very informative and makes a great addition to our collection.
