Kathy J. Wells : The Unofficial Guide to Harry Potter Collectibles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Harry Potter Collectibles:

1 of 1 people found the following review helpful. Has some HP items I wish I had By Customer I would have liked to have seen more items. I have three collector books. my favorite is Harry Potter Collector's Handbook by William Silvester. Still there are some things in her book that aren't in his book. They all come in paperback only 1 of 1 people found the following review helpful. Not as complete. By Carole This guide was extremely limited although its review of dolls and action figures by book title was interesting. It did have some of "Gentle Giant" statuettes in it. It was not as comprehensive as was my hope. Beautifully illustrated and lovely photos of products listed.

Let the magic live on! Here is a true guide to discovering what's hot and what's not in the world of Harry Potter collectibles. Over 220 full color photos guide you through the enchanting and bewitching wizarding world of action figures, mini-busts, statuettes, and dolls. The featured action figures cover the first decade of production (2001-2010), manufactured first by Mattel and later by NECA. Gain useful information on Harry Potter manufacturers, including Mattel, NECA, Gentle Giant, Ltd., and Tonner Dolls. The values in the captions let you find out what your Harry Potter collectibles are worth on the market today. Whether you are a passionate fan, dedicated collector or a mere "muggle" curious about the wizarding world, this book is for you.

About the Author Kathy Wells loves to share here passion for all things Harry Potter. Not content with just collecting, she also shares her knowledge when selling Harry Potter collectibles and garments in her store, Christmas Year Round, LLC. She and her collection live in Florida.
