Great photographs!By Day TripperBeing that Robert Whitaker was one of the very few photographers to have almost total access to them, this book has some amazing photographs of The Beatles. They trusted him and this book shows it. I highly recommend it.0 of 0 people found the following review helpful. Photos were beautiful, creative and magicalBy Suzanne diamondBeatleful photos, creative photographer. Why did the photography stop photographing! Photos were beautiful, creative and magical!0 of 0 people found the following review helpful. Four StarsBy CustomerGreat

This collection of photographs capture the essence of The Beatles in public and in private, charting their world-wide tours and intimate family moments.
