Triumph Books : The Very Best of Jumble Brainbusters: More Than 500 Brain-Bending Puzzles (Jumbles)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Very Best of Jumble Brainbusters: More Than 500 Brain-Bending Puzzles (Jumbles):

19 of 19 people found the following review helpful. Not the usual stuff by the usual guys By ZuluQueen You get 500 pages worth of Jumble, but these puzzles weren't written by the guys who supply the ones that show up in the paper everyday. These guys are named Hoyt, as opposed to Arnold, etc. The format is different, and it lacks a personal touch. It feels like a Jumble textbook. Instead of a picture, some scrambled words, and a punny solution, you get a theme, like plants, and words to unscramble. The mystery answer is also still there, in addition to fun facts and clues, which I didn't especially appreciate. What's the fun in unscrambling if you get a boost? I always saw Jumble as an independent

game. There's also other Jumble formats, like crosswords, wordsearch, etc. But be warned. This isn't the usual stuff. It's a Jumble trail mix that doesn't taste quite the same. If you like unscrambling words in general, you'll love this book. It will last a long time and provide hours of satisfaction. It's thick, and the font is pretty big, making it (literally) easy on the eyes. Plus, on average, this book fits more scrambled words on each page than the classic Jumble. In a way, you are getting more for your money. But if you're looking for the classic Jumble by Henri Arnold et al., which I was, this isn't it. 1 of 1 people found the following review helpful. GreatBy MarilynLove my jumble books. I'm 64 and my adult kids thought I was getting squirrely. Doing these really helped me. My memory is improving and can more easily say the correct word. 0 of 0 people found the following review helpful. would like more variation to puzzle selectionsBy sweetpeawould like more variation to puzzle selections, puzzle topics seemed to repeat too much. liked the style of the previous jumbo jumble book issue I had, "classic, daily, challenger".

It's time to dust off your thinking caps, puzzle fans, because presented here are more than 500 of the most challenging, yet fun, Jumble Brainbusters ever. The Very Best of Jumble Brainbusters do more than just test your word power; they also challenge your expertise on a variety of topics, including science, geography, history, pop culture, and more.
