Barbara ADACHI : The Voices and Hands of Bunraku. before purchasing it in order to gage whether or not it would be worth my time, and all praised The Voices and Hands of Bunraku.:

6 of 6 people found the following review helpful. For Puppet Lovers, A Great BuyBy Work-in-ProgressI am a theater teacher. I borrowed this book from the school library and kept it in my room to browse through until it was stolen. The pictures in the book are absolutely gorgeous and feature famous bunraku shows and the artistry behind them: the puppet making, the puppeteers, the musicians, etc. The text is very informative. Those who read/own this book will gain a greater appreciation of both Bunraku puppets and the Japanese artist.
