So far, I'm enjoying it until I just about reached the halfway point. There about 20 pages that looks like they ran out of ink when they were printing. THIS

SUCKS!! I missing major parts and I think someone died during the faded pages....Do they not have people for quality control? Sigh...0 of 0 people found the following review helpful. I couldn't not reserve time to watch this very realistic post-apocalyptic show on AMC that I fell completely in love with eitherBy CustomerIn my eyes, The Walking Dead comics are the epitome of the real deal, a classic kind-of old school comic. A comic than can still keep you guessing and the text matches up perfectly with the drawings. Its totally raw and unfiltered but is ever so intriguing.The whole story-line, itself, is what truly distinguishes it away from any other series and/or comics. I was instantly engaged; I couldn't not reserve time to watch this very realistic post-apocalyptic show on AMC that I fell completely in love with either. I began to read the comics and wow, was I truly hooked. Robert Kirkman's comics have no rules, no limitations. Its all just so raw.I love The Walking Dead: Thank you AMC!!: The only complaint i had with the compendium was that a few pages had fallen out of the book (of course, it is a huge book) but it was a gift for my boyfriend. Needless to say, I called and they were more than reluctant to help me :) to either refund me the price or send me a new Walking Dead Compendium, I ended up doing an exchange and I have no further complaints regarding this replacement copy! Thanks to the whole ordeal was simple and effortless.Thanks0 of 0 people found the following review helpful. the survivors learn that they are not the only residents of this prison and realize for the first time that the greatest threatBy Bradley HeltonAfter being forced to leave the farm, Rick's group stumbles upon what seems to be a permanent sanctuary, an abandoned prison. Soon after clearing one cell block and settling in, the survivors learn that they are not the only residents of this prison and realize for the first time that the greatest threat to their survival in this new world may not be the dead, but the living.
