**AMC : The Walking Dead: The Poster Collection, Volume II (Insights Poster Collections)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walking Dead: The Poster Collection, Volume II (Insights Poster Collections):

18 of 19 people found the following review helpful. beautiful photos, well done, thick pages- no ladies?By Horsemanfirst i love this show!! i really wanted some nice large size photos from the show and grabbed this. the pages are very thick. the images are high quality and very nicely done. the book is a great addition for fans. the guys look great in this book, however.... there is a serious lack of the ladies from the show! the one exception is michone, she is in there 3 or so times, but not one single image of Andrea, Carol, Maggie, Beth, Lori, or even Amy or Jaquie. Also

sorely missing from the guys is Dale and T-Dog. And even though there is one of alive Shane and one dead Shane - Shane still feels left out to me. However there are 3 or 4 walker shots, a bunch of the governor, bunch of Merle, bunch of Michonne- (who I love but still just joined in season 3), I was really shocked no Andrea Lori Carol or Maggie - or Dale/Tdog. I think even Carl has only one- with his dad (maybe two). So I really love the show and this book is very nice to have, love the photos, was just really shocked none of the ladies except Michonne were represented. Also: the book has 40 images that include some of the main cast, walkers and shots of the promo posters from each season 1-3. I found the following review helpful. Cool posters. I have series one poster book a lot of great images so you know I had to get series two I was very happy to see completely different pictures also some of the newer characters were included in this edition. I say this is a must for any walking dead fan you can leave them in the book or hang them up. I found the following review helpful. This came QUICK. I ordered it on the 5th... By Kate Bishop 17 This came QUICK. I ordered it on the 5th, and it arrived at my house on the 6th. The poster sizes are medium-large but not extremely large, it's large enough to think they are large. It's thick paper, very very high quality. I can't wait to frame these...
