**Washington Post Co. LLC : The Washington Post Lazy Sunday Crosswords** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Washington Post Lazy Sunday Crosswords:

0 of 0 people found the following review helpful. Cleverness versus extraordinary education By Ready Reader I much prefer the Post's Sunday crosswords to those of the Opposition, the New York Times. I can sometimes get most of the Post's answers, only rarely those of the Times. The Post calls for wit and mental gymnastics and clever thinking, the Times calls for extraordinary feats of memory and fighting off the temptation of cheating with the WWW search engines. Both are A+ but I have come to prefer the Post. One of those big fat collections such as this one will last me several years. A collection of the Times' wears out. 0 of 0 people found the following review helpful. Becoming a X-

word geekBy Robert BlaiseThese puzzles are as advertised -- challenging be doable with time3 of 3 people found the following review helpful. Surprise! I love it!By KWAndersonI am a die hard NY Times Sunday crossword puzzle fan. I have collected every available issue and have done some twice. I needed a new source of that level puzzle. I've been disappointed in the past, but then I found, at the end of one of the NYT books, a sample puzzle from the Washington Post. It was great.I ordered this book immediately, as well as Volume 15 in their series. I look forward to collecting this series as well. I would very definitely recommend this for NYT Sunday-level solvers.

Sunday just got lazier! The Washington Posts top constructors have created A-plus puzzles with top-notch themes such as Ys Guys and Inside the Beltway. The clues are full of fascinating bits of trivia and wordplay and are edited by a true legend in the field, Fred Piscop. These 21 21 Sunday crossword puzzles will provide super-sized solving fun all week long, for those days when daily 15 15 grids just arent enough. This wonderful collection will quickly become a favorite of puzzleholics everywhere!
