From Brand: Random House Inc 2002-10-01 : The Washington Post Sunday Crossword Puzzles, Vol. 11 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Washington Post Sunday Crossword Puzzles, Vol. 11:

1 of 1 people found the following review helpful. Great book of crossword puzzles!By MargoSummer09I've been doing the Washington Post Sunday crossword puzzles for many years. My dad was a Washington Post subscriber and he used to save the Sunday puzzles for me give them to me when I went to visit. I came across this book about a year and a half after he passed away ordered it immediately. This spiral bound book contains 50 puzzles from The Washington Post Magazine and are a good mix of solvable more difficult. I like the fact that with all of the puzzles in one place, I can keep going back working on them until they are solved. The themes associated with the puzzles are clever and add another dimension to figuring out the answers. I will be ordering other volumes of these puzzles.1 of 1 people found the following review helpful. In the hunt for 1st PlaceBy longbaywayMy husband is a avid crossword

puzzle person. He says this rates with all the rest of the Sunday crosswords, with the exception of the New York Times, which are difficult. 0 of 0 people found the following review helpful. Four Stars
By Lora D. Morgan
A gift for a friend. I haven't heard.

This annual collection of 50 Sunday-size puzzles from The Washington Post is in a category all its own. Representing some of the best constructors in the business, these meticulously crafted creations will appeal to fans of all generations. Neither too liberal nor too conservative, they're just right for the middle-of-the-road solver.

From the Inside Flap
